ECOLLABO8

WE THE FUTURE

ECOLLABO8 is an Indonesian-based plastic recycling company established in 2019 with the goal of promoting the value of waste and collaborating with brands to make a positive impact on the environment through our innovative technologies. We aim to educate and empower local communities while producing a wide range of products, from everyday items like combs and mirrors to high-end indestructible outdoor furniture.

Sedex | Member

We use SEDEX/SMETA tools and audits with a view to continuous improvement, ensuring that our activities are based on ethical principles with respect for human and labour rights, as well as the environment, health and safety at work.

As Sedex members, we aim to contribute to a more sustainable supply chain.

PRODUCT FEATURES

Innovative Design

Our innovative use of recycled materials ensures that every piece is a blend of aesthetics and practicality.

Durability

Durability is at the core of our collection. Recycled plastic withstands the test of time and use, resisting wear and tear while maintaining a sleek, elegant look.

Easy Care

Our indoor living products are remarkably easy to care for, requiring only simple cleaning. This low-maintenance approach further reduces the environmental impact & cost.

Versatile Use

Seamlessly fits into various indoor settings. Whether it's the living room, bedroom, or home office, our furniture pieces add a touch of sustainable sophistication.

Sustainable

Crafted from 100% recycled plastic, we're committed to reducing waste without compromising style.
